About Us

The Fomunyoh Foundation (TFF) is a non-profit organization founded in 1999 by **Dr. Christopher Fomunyoh.** TFF is dedicated to the memory of **Bah Agwo Fomunyoh**, grandfather of TFF's founder and a man of courage and wisdom who lived through German, English and French colonization, and in his time sought to right the wrongs inflicted on ordinary citizens.

Mission

The mission of the Fomunyoh Foundation is to improve the quality of life of Cameroonian people through the implementation of public health, education and community outreach programs. The Foundation provides technical and financial assistance to individuals, associations and organizations dedicated to the promotion of democracy and human rights in the Republic of Cameroon.

Vision

The Fomunyoh Foundation partners with philanthropists, democratic and human rights constituencies within Cameroon as well as internationally to improve the well-being of Cameroonian people, and to strengthen democratic institutions and practices, and human rights in Cameroon.

TFF's Activities

- Civic education and grassroots community programs directed at women and young people in Cameroon.
- Developing local partnerships with traditional rulers, women, youth and the population at large so as to raise citizen awareness.
- Provide small grants to start-up nongovernmental and civic groups that conduct programs in priority areas identified by the Foundation.
- Provide financial and/or in-kind assistance to needy segments of the Cameroonian population as recommended by the Foundation's Board of Directors.
